WHO'S READY FOR A RAGING GOOD TIME? RAGING WATERS SYDNEY RE-OPENS 3 OCTOBER 2020

Get ready for a 'raging' good time with Raging Waters Sydney set to open for the season on Saturday 3 October 2020.

Sydney's biggest waterpark offers something for everyone with plenty rides, slides and attractions for hours of fun. Ride the wave of the Bombora, take on the twists and turns of Tantrum, race your family on the H2Go Racers, or cool down in the Beach Wave Pool.

Raging Waters Sydney is a registered NSW Covid Safe Business fully committed to the health and safety of its guests and staff. Raging Waters has developed a comprehensive COVID-safe plan in place to mitigate risks associated with the virus. This plan has been approved by NSW Health, and will be followed to best ensure the health and safety of everyone visiting or working at Raging Waters.

'Safety is our number one priority, and we have worked hard during the off season to ensure we provide a fun and safe environment for our guests to enjoy' says General Manager, Tony Brancazio.

The most important elements of Raging Waters Sydney new safety measures include:

- Limiting daily capacity in line with NSW Government restrictions
- Pre-entry temperature checks for Guests & Staff
- Social Distancing
- Adding Sanitising Stations throughout the Park
- Cashless Transactions
- Enhancing Cleaning Measures
- Educating Guests & Team Members

To ensure capacity restrictions, all Guests will need to make a booking for the day they wish to visit, in addition to having a pre-purchased ticket or Season Pass. The park will only sell tickets and Season Passes online.

Guests will find signage reminding all of the importance of social distancing, utilising markers placed on the ground throughout the park, queue lines and entrance areas.

All Guests and Team Members will be required to have their temperature checked before entering Raging Waters Sydney, with any person exhibiting a temperature of 37.5 degrees Celsius or higher (or displaying other symptoms related to COVID-19) unable to enter the Park.

Hand sanitising stations have been added all around the park, and thorough cleaning will be conducted at regular intervals throughout the day at high-traffic locations.

Guest wishing to make purchases during their visit can do so via EFTPOS or credit card with an in park app available for food and beverage purchases.

Full details of the Park's Covid Safe Plan can be found online at RagingWatersSydney.com.au/healthandsafety
